FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification No. 409—B II, *dated* 17*th April* 1940.

To

1. All Departmental Officers.
2. The Secretary, Stores Purchase Committee.
3. Officers in charge of Industrial Concerns.
4. Auditors, Railway and Electrical Departments.
5. The Director of Public Instruction in Mysore (Financial Branch).

Subject.—Issues instructions in the matter of obtaining stamped receipts on bills before payment is arranged by means of cheques and drafts.

It has been brought to the notice of this office that in the case of payments made to firms by the issue of cheques on Banks, difficulty is often experienced in obtaining the necessary stamped acknowledgments. Delay is generally experienced in getting the stamped receipts in spite of reminders and in several cases the required receipts are not received at all. In those cases in which receipts are received, proper reference is not given to the bills in respect of which cheques were issued. The work of filing such stamped receipts correctly has also become a difficult matter. Under Note 1 to Article 13, M.C.A.C., Vol. I, any person having a claim against Government is required to present his voucher duly receipted and if necessary, bearing a stamp. Since the present practice of making payments before obtaining the stamped receipts of the firms results in the auditing offices being left without legally valid proof of payment in several cases, it is necessary that the rule in the Code quoted above should be enforced in future. The officers of all Departments of Government who make purchases of stores, etc., are therefore, requested to insert a condition in the purchase orders to the effect that the bills of the firms submitted for payment should be duly stamped with a receipt stamp whenever the claim exceeds Rs. 20. The instructions issued in this circular will come into force from 1st May 1940, after which date bills for amounts exceeding Rs. 20, submitted for preaudit and in respect of which cheques are required to be issued will be returned unaudited if they do not bear the receipt stamp.

In cases in which the amounts passed for payment differ from the amounts claimed, the differences will be explained to the concerned firms through disallowance memos.
